MEET THE TEAM

Melissa – Executive Director

Melissa Ziemianin is the founder of Embrace Change Mission, an author, speaker and host of Coffee & Conversation with Jesus. Her heart is to create spaces where people can come as they are, encounter Jesus, find genuine community and begin moving from simply surviving into healing, purpose and growth.

Melissa's teaching style is personal, practical and rooted in everyday life. She uses real stories, simple analogies and Scripture to help people understand that faith is not only something we talk about - it is something we live.

Her message carries a consistent invitation: embrace change, know your worth in Christ, and have the courage to take the next step God is placing in front of you.

Caitlin - Global Design & Marketing Director

CC - Administration & Accessibility Director

Terri - Communications & Brain Wellness Director

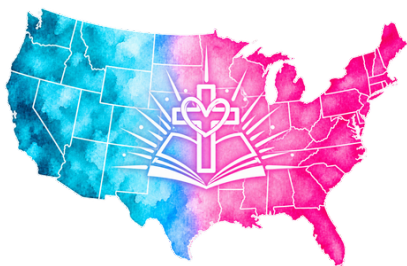

What does Embrace Change Mission do?

To encourage, empower and remind people of their God-given worth while creating opportunities for healing, growth, community and a deeper relationship with Jesus.

Internet Mission

Digital content, online community and accessible resources that bring faith-filled encouragement beyond geographical boundaries.

Nation Mission

In-person gatherings, workshops and outreach that create space for worship, testimony, healing, encouragement and fellowship.

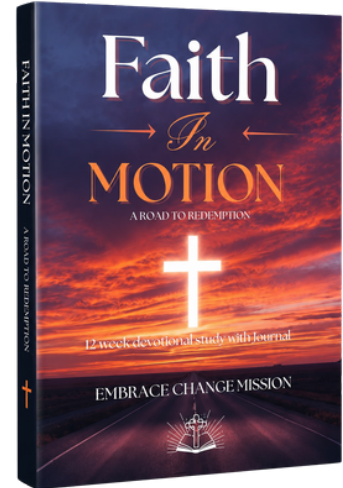

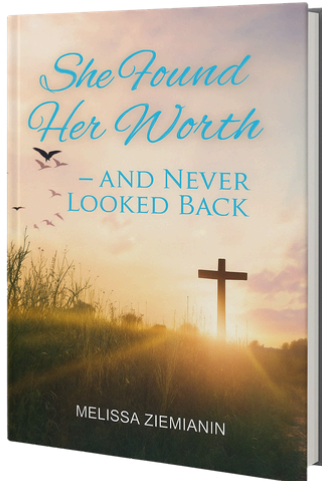

Global Mission

Cross-cultural partnership and practical mission work that shares hope, supports communities and honours local leadership.

Books are written from the heart, rooted in faith and created for change. The heart behind the books is to encourage real life change through pain of the past but with wisdom to change the future if you are only willing to embrace change and start

written by Executive Director Melissa Ziemianin
